

Snow & Ice Control Workshop - Thursday, September 28, 2017

Summersville Arena & Conference Center - 3 Armory Way • Summersville, WV 26651

8:00 AM to 4:00 PM

Attendee Information

One way the WV LTAP helps local and state roadway agencies prepare for the winter months is by hosting the annual Snow and Ice Control Workshop.

This workshop includes a combination of general sessions, breakout sessions, and demonstrations. Attendance at this workshop will also count as credit for the Roads

Scholar I winter maintenance class.

The target audience for this event is anyone involved with winter maintenance, including public works directors, maintenance engineers, mechanics, equipment operators, and elected officials.
