WORKSHOP OVERVIEW

One way the WV LTAP helps local and state roadway agencies prepare for the winter months is by hosting the annual Snow and Ice Control Workshop. This workshop includes a combination of general sessions, breakout session presentations, and demonstrations.

TARGET AUDIENCE

The target audience for this event is anyone involved with winter maintenance, including public works directors, maintenance engineers, mechanics, equipment operators, and elected officials.

LODGING RESERVATIONS

Lodging reservations (if needed) and payment are the responsibility of each individual.

A block of rooms for this event is available at the Quality Inn, located at 903 Industrial Drive N, Summersville, WV 26651.

To reserve a room, call 304-872-6500. Please reference the group code **LTAP** to get the rate of \$91 per night. The cut-off date to reserve a room is September 13, 2017.
