

WV LTAP CD-ROM and DVD Lending Library Listings

Category Bridges

| <i>Title</i> | <i>Publisher</i> | <i>Date Created</i> | <i>Library Number</i> | <i>Description</i> |
|--|-------------------------------------|---------------------|-----------------------|---|
| A Portable Floating Road from the Netherlands | FWHA Resource Center | 2005 | BR05.1 | A video showcasing the assembly and testing of a floating, portable road constructed in the Netherlands |
| Crossings: Bridge Building in West Virginia | WVDOT, Division of Highways | 2006 | BR07.1 | An award-winning documentary on the history of bridge building in the state of West Virginia |
| HPC/Deck overlay Workshop Sept. 12-13 2006 | Federal Highway Administration | 2008 | BR08.1 | CD-ROM Copy of Presentations given at the High Performance Concrete (HPC)/Deck overlay seminar in Nashville, TN in Spetember 2006. |
| Hybrid Timber Bridge: Instructional Program | Pennsylvania DOT | 2000 | BR00.1 | This disc covers necessary pertinent information for municipalities, engineers and construction workers with regards to hybrid deck replacements. |
| LTAP Bridge Maintenance Training | Texas Engineering Extension Service | 2005 | BR06.1 | 3 CD-Rom bundle and attached guide provide a reference manual for bridge maintenance, as well as a guide for teaching a course on the topic |
| Maintenance of Local Bridges and Culverts | PennDot-LTAP | 2007 | BR07.02 | CD/DVD two disc set on developing a bridge and culvert maintenance plan |
| Massachusetts Bridge Technology Workshop Speaker Presentations | FHWA | 2002 | BR02.1 | A collection of presentations given on the subjects of high-performance materials, corrosion-resistant rebar, life cycle cost analysis, bridge management and non-destructive evaluation. |

| | | | | |
|--|---------------------------|------|--------|---|
| The National Wood in Transportation Program | USDA | 2001 | BR01.2 | This CD has a wealth of technical data on timber bridges in the US. |
| The National Wood in Transportation Program: Information on Modern Timber Bridges in the United States 1988-2001 | Department of Agriculture | 2001 | BR01.1 | Compilation of numerous timber bridge publications and Crossings Newsletter. |

Category Conference

| <i>Title</i> | <i>Publisher</i> | <i>Date Created</i> | <i>Library Number</i> | <i>Description</i> |
|--|------------------|---------------------|-----------------------|---|
| 2008 RMC Deposition Recording | WV LTAP | 2008 | CN08.2 | Two disc set of the recording of the 2008 RMC mock deposition presentation. Two transportation cases are presented as examples how to and how not to handle a deposition. |
| 79th Annual TRB Meeting | TRB | January 9-13, 2000 | CN00.1B | Pre-print CD Rom, containing unedited versions of TRB papers. |
| 79th Annual TRB Meeting | TRB | January 9-13, 2000 | CN00.2B | Pre-print CD Rom, containing unedited versions of TRB papers. |
| 80th Annual Meeting | TRB | January 7-11, 2001 | CN01.1 | Pre-print CD Rom, containing unedited versions of TRB papers. |
| 84th Annual TRB Meeting | TRB | January 9-13, 2005 | CN05.1 | Pre-print CD Rom, containing unedited versions of TRB papers. |
| High Performance Concrete Net Conference | USDOT/FHWA | 2003 | CN03.3 | A digital symposium of the '03 High Performance Concrete Net Conference. |
| The Second International Symposium of Transportation Technology Transfer | FHWA | 2006 | CN07.1 | Contains excerpts from several plenary sessions and speeches at the Symposium, held July 30-August 3, 2006 in Tampa, FL, Participant list also attached |
| Transportation in the New Millennium, State of the Art and Future Directions | TRB | January 2000 | CN00.1A | Perspectives from Transportation Research Board Standing Committees. |

| | | | | |
|--|-------------------------------|---------------------|---------|---|
| Transportation in the New Millennium, State of the Art and Future Directions | TRB | January 2000 | CN00.2A | Perspectives from Transportation Research Board Standing Committees. |
| TRB 82nd Annual Meeting | TRB | 2003 | CN03.1 | Pre-print CD Rom, containing unedited versions of TRB papers. |
| TRB 83rd Annual Meeting | TRB | 2003 | CN03.2 | Pre-print CD Rom, containing unedited versions of TRB papers. |
| TRB 85th Annual Meeting Compendium of Papers | TRB | 2006 | CN06.1 | Compendium of Papers from the 2006 TRB Conference |
| TRB 85th Annual Meeting Compendium of Papers | Transportation Research Board | 2008 | CN08.1 | Compendium of Papers from the 2007 TRB Conference |
| TRB 86th Annual Meeting Compendium of Papers | TRB | January 21-25, 2007 | CN07.2 | A compendium of papers from the proceedings of the 86th Annual Meeting of the Transportation Research Board |
| TRB Community Impact Assessment | TRB | October 29-31, 2001 | CN01.2 | TRB/FHWA Eastern Resource Center Workshop Conference Proceedings. |

Category Drainage

| <i>Title</i> | <i>Publisher</i> | <i>Date Created</i> | <i>Library Number</i> | <i>Description</i> |
|---------------------------------|------------------|---------------------|-----------------------|---|
| Culvert Management System (CMS) | LTAP/USDOT | 2001 | DR01.1 | A software package that allows roadway agencies to keep inventory and status of their culverts. Comes with software and user's manual (in .PDF format). |
| Modern Sewer Design v2.0 | NCSPA | 2000 | DR00.1 | A good resource for technical information on the design, installation, and maintenance of SCP Storm-sewers. |

Category Maintenance

| <i>Title</i> | <i>Publisher</i> | <i>Date Created</i> | <i>Library Number</i> | <i>Description</i> |
|--|--------------------------------|---------------------|-----------------------|---|
| Asphalt Pavement Maintenance | University of Minnesota | 2003 | MT03.1 | This field guide provides guidelines for preventative asphalt pavement maintenance techniques for a variety of distresses and conditions. |
| Dangerous Travelers: Controlling Invasive Plants Along America's Roadways | USDA, Forest Service | 2006 | MT06.1 | (2 Copies) Covers BMPs in controlling the growth and subsequent safety hazard of invasive plants |
| Environmental Impact of Construction and Repair Materials on Surface and Ground Waters | TRB | 2001 | MT01.2 | This primer concisely describes a new testing technology developed in NCHRP Project 25-09 to realistically measure how common highway construction and repair materials may affect surface and ground waters in environments surrounding highway rights-of-way. |
| Pothole Repair: Proven Practices | Minnesota LRRB | January 1999 | MT99.1 | A video that shows common practices to repair potholes. |
| RoadwayAesthetic Treatments | Federal Highway Administration | 2001 | MT01.1 | This disc is a collection of 200 aesthetic treatment projects located around the country. Photos, brief project descriptions, and costs are included for each project. |

Category Management

| <i>Title</i> | <i>Publisher</i> | <i>Date Created</i> | <i>Library Number</i> | <i>Description</i> |
|--|--------------------------------|---------------------|-----------------------|---|
| Access Management CD Library | Federal Highway Administration | 2000 | MN00.1 | Compilation of access management information. Covers topics such as: Transportation-Land Use Cycle and functional roadway classification. |
| Analytical Tools for Asset Management | NCHRP | 2005 | MN05.3 | Provides tools that help in investment decisions for infrastructure assets |
| Asset Management: Tools for Implementation | FHWA | 2002 | MN02.1 | This CD contains a variety of informative materials in support of Transportation Asset Management activities: reports, software, presentations, publications, and fact sheets. |
| Best Practices for Road Weather Management | USDOT | 2002 | MN02.2 | This CD contains case studies of systems and applications employed by traffic managers, emergency managers, and winter maintenance managers to improve roadway operations under inclement weather conditions. |
| Inspection of Ground Anchors, Preconstruction(Disc 1) and Construction(Disc 2) | USDOT | 2005 | MN05.2 | Digital training aid to assist in both preconstruction and construction inspection of ground anchors |
| Introduction to the Inspection of Ground Anchors and Soft Nails, Disc 1 | USDOT | 2005 | MN05.1 | Digital training aid to assist in the inspection of Ground Anchors and Soft Nails |
| The Hats of Incident Management | FHWA | 2005 | MN06.1 | A "panel" discussion of the various actors and agencies involved in response to highway incidents |

Category Materials

| <i>Title</i> | <i>Publisher</i> | <i>Date Created</i> | <i>Library Number</i> | <i>Description</i> |
|---|---|---------------------|-----------------------|--|
| Appropriate Use of Waste and Recycled Materials in the Transportation Industry: An Informative Database | National Cooperative Highway Research Program | 2001 | ML01.1 | Covers use of beneficial uses of waste products in transportation applications. In depth information is provided on many of the material's aspects: production, use, engineering properties, environmental properties, and testing procedures. |
| College Literature CD-ROM | ACPA | 2002 | ML02.1 | Developed for distribution to university students and professors, this "College Literature" CD compiles all the best reference tools needed to design and build with concrete. |
| High-Performance Concrete Structural Designers' Guide | FHWA | March 2005 | ML05.1 | This CD provides a digital copy of the FHWA design guide regarding High-Performance Concrete. |

Category Misc

| <i>Title</i> | <i>Publisher</i> | <i>Date Created</i> | <i>Library Number</i> | <i>Description</i> |
|---|--|---------------------|-----------------------|---|
| An evaluation of 3D/4D Visualization | FHWA and Florida DOT | 2000 | MS00.1 | This CD shows the process that is currently involved in the use of 3D/4D visualization technologies. It does so by tracing the use of advanced visualization capabilities in an actual project. In this case, the roughly 18-month Project Development and Environmental study phase of the North and South Roosevelt Boulevard project in Key West, Florida. |
| Basic Guide for GASB 34 Phase III Local Governments | Ohio, LTAP | 2002 | MS02.1 | A reference material for the Government Accounting Standards Board (GASB). Contains a reference manual (pdf) and various internet links. |
| CDL Class A DVD | West Virginia Division of Motor Vehicles | 2007 | MS07.04 | CDL Class A test preparation |
| CDL Class B DVD | West Virginia Division of Motor Vehicles | 2007 | MS07.05 | CDL Class B test preparation |
| Core Curriculum Matrix Development | NHI, USDOT, FWHA | December 2004 | MS05.1 | This CD is used to develop certifiable courses for training those that will be involved in highway construction and maintenance |
| Follow-Up Survey High Performance Concrete State DOT Implementation | Federal Highway Administration | 2008 | MS08.1 | CD-ROM summarizing the findings of the FHWA High Performance Concrete Technology Deployment Team (HPC TDT) from 2003-04. |
| Introduction to Geosynthetics in Transportation | Geosynthetic Materials Association | 2007 | MS07.2 | This CD contains report "FP-03" titled Introduction to Geosynthetics in Transportation, presented in 5 Modules |
| Invasive Plants of the Eastern United States | USDA | 2003 | MS07.03 | Identification and Control of Invasive Plants |

| | | | | |
|---|----------------------------|------|--------|---|
| ITS Standards Outreach, Education and Training Resource CD-ROM | ITE | 2001 | MS01.2 | CD contains a various training documents and educational resources published by the ITE. |
| NTAD | USDOT | 2002 | MS02.3 | The National Transportation Atlas Databases 2002 (NTAD2002) is a set of nationwide geographic databases of transportation facilities, transportation networks, and associated infrastructure. These datasets include spatial information for transportation modal networks and intermodal terminals, as well as the related attribute information for these features. |
| Rockfall Catchment Area Design Guide | Oregon, DOT | 2002 | MS02.2 | This CD contains technical information for the Design of Rockfall Catchment Areas. |
| Technologies to Improve Consideration of Environmental Concerns in Transportation Decisions | TRB | 2000 | MS00.2 | This CD-ROM is the final product of National Cooperative Highway Research Program Project 25-22, Technologies to Improve Consideration of Environmental Concerns in Transportation Decisionmaking. The project is intended to advance the use of current and emerging technologies to achieve improved, implementable transportation decisions |
| The Road to Opportunity: The West Virginia Turnpike | WVDOT | 2006 | MS07.1 | A video about the history and continuing evolution of West Virginia's toll road |
| Transportation Training Resources Catalog 2001 | National Highway Institute | 2001 | MS01.1 | A CD that gives an overview of the training seminar administered by the NHI. CD gives a background on the program and provides application forms. |

Category Pavement

| <i>Title</i> | <i>Publisher</i> | <i>Date Created</i> | <i>Library Number</i> | <i>Description</i> |
|---|--|---------------------|-----------------------|--|
| Electronic Asphalt Pavement Preservation Guide | Federal Highway Administration | 2008 | PV08.1 | CDROM that includes an interactive program that gives recommended treatments based on cost, volume and surface condition criteria. Also covered are the benefits of pavement preservation and how to start a pavement preservation program. |
| EZ Road, Inc. | EZ Road, Inc. | 2004 | PV04.2 | A manufacturer's demo CD that contains information on rubber temporary ramps. The manufacturer proclaims that these ramps are, "...a safer, more cost-effective alternative to asphalt or cold-patch temporary ramps at milled butt joints, bridges, and end-of-day joints." |
| Managing Pavement Edge Dropoffs to Improve Safety and Reduce Tort Liability | FHWA | 2006 | PV06.1 | Multi-media proceedings from a workshop and presentation on edge drop-off management |
| Pavement Preservation Toolbox | FHWA | June 2005 | PV05.3 | CD-ROM that brings together a wide variety of resources regarding pavement preservation(5 copies) |
| Pavement Preservation: State of the Practice | FHWA | July 2000 | PV00.1 | Contains necessary information to successfully initiate a pavement preservation program. |
| Pavement Preservation: The Preventive Maintenance Concept | National Highway Institute | 1999 | PV00.2 | Course provides an introduction to the concept of pavement preventive maintenance. Targeted to upper management and policy makers in highway agencies. Focuses on the information needed to develop or improve a preventive maintenance program. |
| Performance-Related Specifications for PCC Pavements | FHWA | 2000 | PV00.3 | Contains a four-volume report presenting guidelines and recommendations for developing and using performance-related specifications to Portland cement concrete pavement constructions. Includes Pave/spec. 2.0 software. |
| Preventative Maintenance and Surfacing Systems | International Slurry Surfacing Association | 2005 | PV05.2 | DVD that explains the reasoning behind pavement preservation and the use of slurry treatments in that process(2 copies) |

| | | | | |
|--|----------------------------|------|--------|--|
| Recommended Use of Reclaimed Asphalt Pavement in the Superpave Mix Design Method | NCHRP | 2004 | PV04.3 | Contains a video presentation on the incorporation of RAP into hot mix asphalt designed with the Superpave method |
| Recommended Use of Reclaimed Asphalt Pavement in the Superpave Mix Design Method | NCHRP / TRB | 2004 | PV04.1 | A video on DVD that would be of interest to those who are considering use of the Superpave Mix Design Method. |
| Superpave Fundamentals Course Number 13153 | National Highway Institute | 2000 | PV00.4 | Course material on superpave's basic principles: mix design, handling procedures, placement, and compaction. |
| Virtual Superpave Laboratory | NAPA | 2005 | PV05.1 | Provides background information on HMA and its various constituents, and provides a Superpave HMA mix design methodology |
| What if Roads Could Last a Lifetime? | Asphalt Pavement Alliance | 2001 | PV01.1 | Contains video segments and PowerPoint presentations, providing a wealth of technical data on Perpetual Pavements |

Category Ped / Bike

| <i>Title</i> | <i>Publisher</i> | <i>Date Created</i> | <i>Library Number</i> | <i>Description</i> |
|--|--------------------------------|---------------------|-----------------------|--|
| Bicycle Safer Journey | FHWA | 2003 | PB03.1 | An interactive guide to bicycle safety awareness |
| Guide for the Planning, Design, and Operation of Pedestrian Facilities | AASHTO | 2004 | PB06.1 | Provides guidance in the design, planning, and operation of pedestrian facilities along streets and highways |
| Pathways to the Future: The West Virginia Statewide Trail Plan | | 2002 | PB02.1 | A CD that contains the WV Statewide Trail Plan in its entirety. A comprehensive look at the future of the WV trail network. |
| Pedestrian/Bicycle Safety Resource Set | Federal Highway Administration | 2000 | PB00.1 | Contains many good publications on pedestrian and bicycle issues: design criteria, evaluation, accident analysis, planning, etc. |

Category Roads

| <i>Title</i> | <i>Publisher</i> | <i>Date Created</i> | <i>Library Number</i> | <i>Description</i> |
|---|------------------------------|---------------------|-----------------------|--|
| Advanced Rural Transportation Systems | FHWA | 2001 | RD01.1 | Includes PowerPoint presentation concerning rural challenges and the application of advanced technology as it should be a "community" investment. |
| Forest Roads and The Environment | USDA Forest Service and FHWA | July 2006 | RD06.4 | Collection of videos on forest road issues, including maintenance and environmental impact |
| Gravel Road Maintenance:Meeting the Challenge | Minnesota LTAP | October 2005 | RD06.3 | Combination DVD/CD-ROM set that covers the proper way to complete gravel road maintenance |
| Gravel Roads: Maintenance and Design | FHWA | 2000 | RD00.1 | A CD that was created as a result of The Federal Highway Administration (FHWA) asking the South Dakota Local Transportation Assistance Program (SD LTAP) to put together a new Gravel Road Manual that can be used by all regions of the United States and even other countries. |
| Lifelines, Your National Forest Roads | USDA Forest Service | 2006 | RD06.2 | DVD that looks at the functions of forest roadways, as well as relationships amongst the various agencies building and maintaining them |
| Riparian Roads and Restoration | US Forest Service | August 2005 | RD06.1 | An electronic short course about roads and riparian areas |

Category Safety

| <i>Title</i> | <i>Publisher</i> | <i>Date Created</i> | <i>Library Number</i> | <i>Description</i> |
|--|---------------------------------|---------------------|-----------------------|--|
| Best Practices Guidebook: Work Zone Operations: Improving Mobility and Safety on Both Sides of the Barrel. | FHWA | April 2000 | SA00.3 | Contains information about current best practices for achieving work zone mobility and safety. Covers policy and procedures; public relations; education and outreach; prediction modeling and impact analysis; congestion and crashes; planning and programming, etc. |
| Common Sense Solutions to Intersection Safety Problems: LTAP Training Program | Federal Highway Administration | 2005 | SA05.1 | Provides seminar materials, such as slide shows and summary handouts about various types of intersections. |
| Common Sense Solutions to Intersection Safety Programs | Michigan LTAP | 2005 | SA06.1 | Materials that cover some common safety improvements to intersections that can be made without an engineer |
| Comprehensive Intersection Resource Library, Volume 3 | FHWA | 2006 | SA06.4 | A compilation of resources and educational materials on a variety of intersection types and issues |
| Emergency Response to Threats of Intentional Contamination of Public Water Supplies | Department of Homeland Security | November 2004 | SA06.5 | A response protocol for incidents involving an intentional contamination of a public water supply |
| Flagging in the Work Zone: Safety in Your Hands | Oregon LTAP | 2005 | SA06.2 | Covers proper work zone flagging techniques that make work zones safer for users and workers |
| Forest Applications e Book: The Complete Guide to Chain Saw Safety and Directional Felling | Tim Ard | 2002 | SA02.2 | Tim Ard and Mike Bolin have created this cd which is a complete guide on chain saw safety and directional felling issues and includes video clips. |
| Forest Applications Ebook: The Complete Guide to Chain Saw Safety & Directional Felling | Forest Applications Training | 2002 | SA02.4 | A comprehensive chainsaw guide written by one of the foremost experts: Tim Ard. |

| | | | | |
|--|--------------------------------|------|--------|--|
| Good Practices: Incorporating Safety into Resurfacing and restoration Projects | Federal Highway Administration | 2006 | SA06.8 | This CD contains an electronic version of Report No. FHWA-SA-07-001 of the same title. |
| Highway Safety and Trees: The Delicate Balance | FHWA | 2005 | SA06.6 | A resource examining highway trees, their placement and management, and their impact on highway safety |
| IHSDM: Interactive Highway Safety Design Model Preview CD-ROM | FHWA | 2003 | SA03.1 | IHSDM is a demo CD. The actual program is a suite of software analysis tools for explicit, quantitative evaluation of safety and operational effects of geometric design on 2-lane rural roads. Prospective users include highway designers, planners and project managers, and safety and traffic engineering reviewers in State and local highway agencies and engineering consulting firms. |
| It's No Accident | Road Safety Foundation | 1999 | SA99.3 | A public service campaign that focuses on three primary areas where safety can be improved: Run-off-the-road crashes, roadside hazards, and work zones. |
| Joe's Ride at Work | PennDot LTAP | 2008 | SA08.1 | Directed at the importance of maintenance crews and their operations in reducing municipal liability. |
| Meth Lab Waste Recognition | Colorado DOT | 2006 | SA06.7 | Provides a brief primer on how to recognize meth lab waste when cleaning the highways and roadsides |
| Mobility and Safety: Making Work Zones Work Better | FHWA | 2002 | SA02.1 | A compendium of work zone research, development, and technology transfer projects |
| Moving Safely Across America | FHWA | 2000 | SA00.1 | This CD contains three activity areas, "Road Trip," "Road Challenge," and "Safety Stops." It could be incorporated into state safety awareness initiatives and driver ed programs. |
| Multi-Purpose Fire Extinguisher Inspection and Use | VDOT | 2006 | SA06.3 | Produced by the Maintenance Training Academy, a guide on proper inspection and use of multi-use fire extinguishers |

| | | | | |
|--|------------------------------|------|---------|---|
| Red Light, Green Light | ITE | 2002 | SA02.3 | A 7min 30sec mp3 file that stresses the importance of driver and pedestrian cooperation at intersections. |
| Safer Journey: Interactive Pedestrian Safety Awareness | FHWA and USDOT | 2000 | SA00.2 | Contains various activities to improve the level of pedestrian knowledge for all road users and safety practitioners. Included quiz and resources about pedestrian and community safety. |
| Safer Journey: Interactive Pedestrian Safety Awareness | FHWA and USDOT | 2000 | SA00.2A | Contains various activities to improve the level of pedestrian knowledge for all road users and safety practitioners. |
| Safety & Operations | FHWA | 1999 | SA99.2 | Compilation of information products, publications, and research reports on Advanced Traveler Information Systems (ATIS), driver and human performance, driver information systems, intelligent vehicle, ITS capabilities, older drivers, ped/bicyclist safety, etc. |
| Safety & Operations | FHWA | 1999 | SA99.1 | Compilation of information products, publications, and research reports on Advanced Traveler Information Systems (ATIS), driver and human performance, driver information systems, intelligent vehicle, ITS capabilities, older drivers, ped/bicyclist safety, etc. |
| Safety Training for the Focus Four Hazards | AGC and OSHA | 2007 | SA07.1 | CD Rom containing PDFs and Powerpoints on the four biggest hazards in construction: falls, electric, struck by and caught between. |
| Work Zone Safety | Advanced Technology Concepts | 2000 | SA00.4 | Interactive media for workzone safety training for roadway maintenance operations. |

Category Snow Control

| <i>Title</i> | <i>Publisher</i> | <i>Date Created</i> | <i>Library Number</i> | <i>Description</i> |
|--|--------------------------------|---------------------|-----------------------|--|
| A Snowplow Operators' Guide to Snow and Ice Equipment | Idaho T2 | 2005 | SN06.1 | (3 copies) An educational CD-ROM that covers snowplow operations when dealing with snow and ice control |
| Anti-Icing / RWIS Training | AASHTO | 2003 | SN03.1 | An introduction into the use of RWIS to handle winter maintenance problems, as well as providing a method to determine the best treatment option |
| Minnesota Snow and Ice Control Field Handbook for Snowplow Operators | Minnesota LTAP | August 2005 | SN06.2 | A field handbook to be used as a resource in snow and ice control for snowplow operators(handbook accompanies) |
| Road Engineering and Construction Practices for Cold Regions | Federal Highway Administration | 2007 | SN07.1 | This 2 CD set contains Report FHWA-WFL/TD-07-001 that describes and explains road engineering and construction techniques for cold regions. |
| Snow Fighting Training Material | Salt Institute | 2000 | SN00.1 | Contains powerpoint presentations and handouts for professional training of snow removal personnel, managers, and elected officials. |

Category Traffic Control

| <i>Title</i> | <i>Publisher</i> | <i>Date Created</i> | <i>Library Number</i> | <i>Description</i> |
|--|--|---------------------|-----------------------|---|
| Access Management | Florida, DOT | 1998 | TR00.2 | Includes PDF files of documents, overheads, slide presentations, and course materials on access management, public involvement in access management, transportation and land use relationships, site impact, level of service, mobility management, and traffic design. |
| Comprehensive Intersection Resource Library | FHWA | 2004 | TR04.1 | A compilation of resources about traditional signalized and unsignalized intersections, roundabouts, highway/rail grade crossings, and other intersection designs. |
| RC Flagman Priority Technology Evaluation Report | Ohio, DOT | November 1999 | TR00.1 | Contains on-site interviews of individuals who are using the RC Flagman. The Ohio Dept. of Transportation in cooperation with the FHWA Priority Technology Program has completed this review. |
| The National ITS Architecture Version 5.0 | US Department of Transportation | 2008 | TR08.1 | Using an internet connection, allows access to National ITS databases. |
| Virginia Transportation Research Council Research Publications 2002-2005 | Virginia Transportation Research Council | 2008 | TR08.2 | A collection research papers from the VTRC in pdf format |
