

WV LTAP Questionnaire

Please either fax your completed questionnaire to 304-293-7109 or return via pre-paid postage.

Please take a few minutes to complete the following questionnaire after you have had a chance to read the articles dealing with NIMS and Highway Watch. Your input is needed! In order for us to best serve your needs and prioritize our staff time, we need to know if NIMS classroom training is needed by your agency.

1. Is your agency prepared for or on track to be prepared for the October 1, 2006 deadline for full NIMS compliance required for all federal preparedness assistance?

____ yes ____ no

2. Would your agency be interested in attending classroom training on NIMS?

____ yes ____ no

If yes, how many employees from your agency would likely attend if the training location was within the following one-way travel times:

____ 1 hr or less ____ 2 hrs ____ 3 hrs or more

3. Does your agency have the ability to support and offer access to on-line training?

____ yes ____ no

4. Are you familiar with the Highway Watch Program?

____ yes ____ no

5. Would you be interested in any of the following:

a. ____ One-hr classroom training session conducted by a Highway Watch trainer and presented at a central location in WV or in conjunction with other WV LTAP scheduled training

b. ____ Self-study dvd or video

c. ____ Self-study audio cd

6. If interested in the Highway Watch training, how many people from your agency do you anticipate would be involved in this training? _____

7. Please list any specific workshop topics that you would like to see WV LTAP offer.

The following information is optional. However, this completed information will help us to update our database along with helping us meet your training needs and other requests more efficiently.
